

To all of our dear and valued Customers,

**Re: Covid-19 UPDATE**

We highly recommend (**unless you feel it is absolutely essential to view in person**), that you still view our sales online and bid remotely either via the online portal or via commission bids. (**Telephone bidding is limited, but may be available on certain lots**)

- Masks (face-coverings) MUST be worn by all persons at all times whilst on our premises.
- Please sanitise your hands on entering the premises
- Please avoid close contact with all other persons viewing and with staff members
- Please observe 2-meter social distancing

Please be aware that we will closely observe the numbers of people present in the saleroom during auctions and within our viewing rooms and should we become, in our opinion, too busy then we may have to ask some of you to queue outside of the saleroom for a short period. If this becomes necessary, please exit when asked and wait patiently until invited to return. This will of course be favour active bidders at the time.

We apologise in advance for any inconvenience these measures may cause, however they are in place for the health and well-being of all parties involved and the nation as a whole.

Thank you as always for your great support and we look forward to returning to normal in due course.

Kind regards,

Joe Smith & The Team @ JS Fine Art
