If you have always wondered what that strange object was worth, well now is the time to find out. Whether it's an Antique, a Painting, a small Sculpture, a Collectable, a Quirky Item or just something you just like, you never know, you might be sitting on a gold mine!

Bring your items, very carefully, to the **Middleton Cheney Library** on Thursday **19 September**, between **5.30 & 8.30 pm** when Simon Davies, Senior Valuer at JS Fine Art will give you a current valuation.

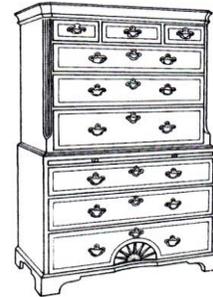

For the first item there will be a charge of **£2**, & for three items a charge of **£5**. *(dependent on turnout we may have to limit each person to 3 items)*, but do bring more, just in case and Simon will try to satisfy everyone.

Come early to avoid the crush, you will be given a number, so everyone will be seen in order.

It would be difficult to bring very large pieces, but a good photograph of an item can be brought along.

While you are waiting, and forming an orderly queue to see Simon, we will have some fun competitions to test your skill, knowledge and ability to guess.

Even if you have no items to be valued please come and enjoy the evening and try to win a prize or two in the competitions.

Test your Knowledge

Each question paper is **£2**, which will include a glass of wine or soft drink and a pencil.

Value the item

Give a current value to each item on the special display, **50p** a go, but you can have as many tries as you like, at 50p per go.

Treasure Hunt

We have hidden some 'treasures' on the bookshelves, can you find them? Put an X on the book which you think contains the treasure.

Mark your sheet with the Shelf/Book you choose & add your name. Two tries for **£1**, five tries for **£2**

PRIZES

A series of prizes have been kindly donated for the above, by a range of local businesses and individuals, to all who have contributed we send our grateful thanks.
